

29 September 2021

NEWSLETTER 10/2021

Dear Parents

Please take note of the following important matters:

1. SCHOOL FEES 2022

During a Parents' Meeting held on Tuesday, 28 September 2021, the school fees for 2022 were determined as follows:

Grade R – 7: R15 500 per learner (R1 550 x 10 months – January to October)

2. RE-REGISTRATION AND RE-REGISTRATION FEE

The deadline for re-registration of learners for 2022 was already 3 September 2021. If you have failed to re-register, we kindly request you to do so urgently as there are quite a few new learners on waiting lists waiting to be placed.

The first installment of 2022's school fees is payable before 30 November 2021 and it amounts to R1 550. If you have signed a debit order from Northam Platinum mine or Amandelbult mine, you will not pay this first installment now. In the debit order you already sign up for all 10 months' deductions.

3. GO-KART DAY: 22 OCTOBER 2021

Our annual Go-Kart Day, which the learners are really looking forward to, takes place on Friday, 22 October 2021. Thank you in advance for supporting us with this. The funds raised during this project will be used for the benefit of our school fund. A separate letter on this - with more information - will follow shortly.

4. GRADE 3 ENTREPRENEURS DAY: 29 OCTOBER 2021

The Grade 3 learners' annual Entrepreneur Day takes place on Friday, 29 October 2021. The Grade 3 learners will receive a separate letter with all relevant information.

5. EXAM: 17 NOVEMBER 2021 – 3 DECEMBER 2021

Preliminary dates for the final examination for Grade 4 - 7 learners are 17 November 2021 - 3 December 2021. As we have not yet received any dates from the Department of Education, this may very well change again.

The work demarcation for each subject and the examination timetable will be made available 2 weeks before the start of the examination. Check out our school's Google Calendar for the latest daily updates.

Please note that learners will not be permitted to write the exam papers outside the scheduled times. It is extremely important to prepare well for this exam as it represents a large part of your child's final promotion mark.

Good luck for the last part of this term and thank you for your continued support.

Regards

Mr J L M Venter
