The school will reopen this coming Monday, 24 August 2020 for all grades.

You can use the following options for paying school fees:

- Option 1

If you want to pay by credit card, you can report to the entrance gate in Van der Bijl Street (at Boog en Hengel shop) where you will be scanned before you can enter the school grounds.

We kindly request that you enter the school grounds for this purpose only.

- Option 2

If you want to make a cash payment, you are welcome to send the money to school with your child. The register teacher will take it from your child, indicate it on a class list and the receipt will be sent to you the next day.
