OPMERKINGS:

1. 'n Volledige toetsreeks word gedurende die kwartaal geskryf wat saam met die leerlinge se skriftelike werk en ander evalueringskomponente tot rapportpunt verwerk word.
2. Ouers moet elke toets onderteken en toesien dat dit agterin die betrokke vak se skrif bewaar word.
3. Neem die vrymoedigheid om toetsuitslae met die personeel te bespreek.
4. Deeglike voorbereiding vir elke toets is van uiterste belang en ouers word versoek om hul kinders hierin by te staan en te kontroleer.
5. Geen toetse word voor of na die geskeduleerde datum en tyd geskryf nie. Indien 'n leerder dit nie kan skryf nie, moet 'n doktersertifikaat of skriftelike bewys van geldige verskoning (bv begrafnisbrief) ingedien word. Deurlopende assessering dien dan as rapportpunt.

REMARKS:

1. A comprehensive series of tests will be written throughout the term in all subjects indicated on the timetable. These marks will be added to other components of evaluation in the various subjects to form the final mark for the term.
2. Parents/Guardians must sign all written tests.
3. Feel free to discuss test results with subject teachers.
4. Please ensure that learners are well prepared for all tests.
5. No tests will be written before or after the scheduled date and time. If a learner is unable to write on the scheduled time, a doctor's certificate or written proof of absence (e.g. funeral letter) must be handed in. The continuous assessment mark will then be used on the report.
